In the unlikely event that this will happen it is usually down to in appropriate or dangerous weather conditions. In this situation a full refund will be given - No compensation can be claimed for.

## Key safety rules

---

To ensure that all participants enjoy the activity safely it is vital that the following safety rules are adhered to at all times

- All participants must pay strict attention to the health and safety talk and instructions given by the instructor at the beginning of and throughout the session. The following represents key rules but is not an exhaustive list.
- Participants are restricted from the shooting area unless supervised by an instructor.
- No one is to handle any bow/weapons unless supervised; participants will be supervised at all times during shooting.
- Never load the bow until instructed.
- Never fire a bow until instructed.
- When told to stop shooting (or 'fast' is called) by an instructor, please do so immediately & unload the arrow from the bow.
- The pointing of the bows or arrows at people or animals is strictly forbidden. Such behaviour may result in the participant being removed from the activity with out refund.
- No alcoholic drink / drugs may be consumed before, or during shooting.
- Remember a bow is a potentially dangerous piece of equipment so treat it with respect at all times and follow instructions immediately.
- Anyone, who a member of Free Spirit Archery staff considers to be a danger to themselves or others will be asked to leave.
- All children must be accompanied by a responsible adult and must take direction at all times from the instructor. Failure to do so and you will be asked to remove them from the activity.
- Always with safety at the forefront, our decision is final.
